TRI-VALLEY SCIENCE & ENGINEERING FAIR
STUDENT PERMISSION AND HOLD HARMLESS AGREEMENT

I _____, as the parent/guardian of _____, approve my child's participation in the 2006 Tri-Valley Science & Engineering Fair (TVSEF), sponsored by the Lawrence Livermore National Laboratory (LLNL), and assume all responsibility for the oversight and supervision of the scientific research conducted by my child in association with the TVSEF.

I understand that the TVSEF is affiliated with the Intel International Science & Engineering Fair (Intel ISEF), and that IISEF rules, which are publicly available on the TVSEF web page, apply fully to the TVSEF competition. My child and I are fully responsible for reading, understanding and adhering to the Intel ISEF rules. Failure to comply will result in rejection of my child's science project application and/or disqualification of the child's project entry at the actual event even if the application was approved.

I understand that TVSEF senior sweepstakes winners are invited to compete at the Intel ISEF. Junior sweepstakes winners compete in the California State Science Fair.

I give permission to LLNL and any news media in attendance at the TVSEF, Intel ISEF and California State Science Fair to photograph, videotape, and interview my child during the fair(s) and agree that recordings may be used, reproduced, and distributed without restriction by the Laboratory, participating Tri-Valley school districts, and news media in news stories, publications, and promotional activities.

I agree to hold harmless The Regents of the University of California/Lawrence Livermore National Laboratory and the U.S. Department of Energy/National Nuclear Security Administration, their employees, agents and contractors against any liability and any claims resulting from my child's participation in the TVSEF; the Intel ISEF, should my child be a senior sweepstakes winner; and the California State Science Fair, should my child be a junior sweepstakes winner.
